Permit me to welcome you all to another memorable occasion in the history of this great Institution.

As Chancellor of Lagos State University, I have always looked forward to the constitution of this August Assembly for the awards of Certificates and Degrees to deserving Graduands, as it affords the University the opportunity to bring together Eminent Personalities in society that could serve as role models to the Graduands and propel them to great accomplishment in their future endeavours.

The occasion also provides the University opportunity to showcase its potentials and capabilities in producing highly qualified manpower for the State and Nigeria in general.

I welcome specially, the Governor of Lagos State and Visitor to Lagos State University, His Excellency, Mr. Babatunde Raji FASHOLA (SAN), who has since becoming the Governor of Lagos State made it a point of duty to personally attend every convocation ceremony of this Citadel of Learning. Thank you, Your Excellency!

The developmental strides of your administration in Lagos State fascinates us all and I am convinced that your administration will leave an enduring legacy behind after your successful stewardship to the good people of Lagos State.

I extend most warmly my greetings to our Royal Fathers, especially the Oba of Lagos, Oba Rilwan AKIOLU I and the Akran of Badagry, De Wheno Menu-Toyi I – Babatunde Akran as well as all our Royal Fathers here present. I say “ki ade ko pe lori, ki bata pe lese”. You are all welcome our Kabiyesis.

It is ALSO my pleasure to welcome specially, the new Pro-Chancellor AND Chairman, Governing Council, Lagos State University, Mr. Olabode AGUSTO (MFR) and other Members of the Governing Council made up of tested and accomplished Academics and Seasoned Professionals. With these eminent people at the helm of affairs in the University, there is the assurance that LASU has been put in good hands.

The Executive Governor of Lagos State and Visitor to Lagos State University, Mr. Babatunde Raji Fashola (SAN) through the instrumentality of the law establishing the University recently reconstituted the Governing Council of LASU after the expiration of tenure of the 8<sup>th</sup> Governing Council of the University, chaired by Mr. Akin Kekere-Ekun, OFR.

I will want to salute the noticeable commitment of the Lagos State Government to developing Lagos State University into a World Class Tertiary Institution by the

numerous infrastructural project already embarked upon in the University. Worthy of mention is the successful completion and handing over of the following building project by Lagos State Government to Lagos State University:

- i. University Main Auditorium
- ii. Faculty of Law Library
- iii. The rehabilitation of 3-in-1 Lecture Theatre

Construction work has also reached appreciable stages on the various building projects in the University among which are the following:

- i. LASU Senate Building
- ii. LASU Main Library
- iii. LASU Students Arcade
- iv. Faculty of Management Sciences Complex
- v. Faculty of Law Lecture Hall
- vi. School of Transport Building
- vii. Faculty of Science Complex

These projects, when completed will transform the Architectural Landscape and serenity of the University environment to a fascinating sight befitting of a 21<sup>st</sup> Century University.

Finally, I congratulate ALL the Graduands that are today being awarded Higher Degrees (Postgraduate Diplomas, Academic AND Professional Masters Degrees as well as, the Doctor of Philosophy {Ph.D}) Degrees AND I wish you ALL a promising AND successful future.

I thank you for your attention AND God Bless you ALL.
